# ORDINARY NEEDS

## Capability Statement

Ordinary Needs LLC is a distribution company specializing in the provision of a diverse range of high-quality products, industrial hardware, office supplies, and other essential goods. We are dedicated to meeting the needs of government sector clients through efficient procurement and reliable delivery.

## Core Competencies

- **Expertise in Government Procurement:** Deep understanding of DLA procurement processes and compliance with government regulations.
- **Strategic Sourcing:** Ability to identify and source premium-quality products at competitive prices.
- **Supply Chain Management:** Efficient management of the flow of goods from supplier to customer.
- **Quality Assurance:** Commitment to delivering products that meet or exceed required specifications.
- **Customer Support:** Providing responsive and reliable support to government buyers.

## Key Differentiators

- **Proven Track Record:** Over three years of experience in federal contracting, demonstrating reliability and adherence to strict specifications.
- **Enhanced Credibility:** Certified as a Small Disadvantaged Business (SDB), DBE/MBE, and other relevant certifications that enhance access to diverse opportunities.
- **Prompt Delivery:** Fast shipping with secure packaging to ensure product integrity during transit.
- **Diverse Product Range:** Offering a wide array of industrial hardware, and office supplies to meet varied client needs.
